Collar That Dog

The law requires that you pay a tax on your dog and that the registry number be worn on the collar, and if you do not attend to this little matter the dog catcher will give your pet

When you pay your tax it should mean a new Collar, for any good dog is worth one new collar a year. We have a large stock of Collars and can fit your dog and your purse at the same time. We also have collar Locks, Chains, Dog Biscuit, and a full line of Glovers Dog Remedies.

cations and improvements. No side is sues will be indulged in. There has been considerable talk in the last twenty four hours about the possibility of the Governor going along with the delegation to Washing ton. Some of the members of the delegation thought it an excellent idea, but it was stated this morning by one of the members that it was certain that Carter would not accompany the committee. He might go on later, toward the end of the Congressional session, as was some time ago stated in the Bulletin.

At the proposed joint meeting of the Chamber of Commerce and Mer-chants' Association resolutions may be adopted for forwarding to the San Francisco Chamber of Commerce and other California commercial bodies with a view to getting them to back Hawali's bill in Congress, for what benefits Hawali benefits California.

"Last year the jury commissioners before drawing brought us a list of about 500 names, from which we could select the names we wanted, and in select the names we wanted, and in this way we were able to reduce the number of disqualified persons great iy. One should think that the com-rissioners would themselves make in curries to ascertain whether the met whom they place on the list are dis qualified or not. "Of course, when we find that men

on the list are disqualified, we can bring them to the attention of the jury commissioners and have other names substituted for them. The law pro-vides for such changes. In the mean time it will certainly take way into the April term before the jury list can be weeded out sufficiently, and what kind of business can it be called if the en-tire January term of each year has to be wasted in this manner? Here, my court has been in session all the week and we have not begun the trial of A
